Create a new bid security, Submit and Approve

1 Navigate to <https://bid.rw/client/home>

2 Click "Tender Guarantees"

3 Click "Bid Security"

The screenshot shows the e-Bid dashboard. At the top, there is a navigation bar with the e-Bid logo and menu items: Home, Tenders, Procurement Plan, Tender Guarantees, Contracts, Staffs, Blacklisted Companies, and Help. The main section is titled "My Tenders" and features four green cards: "Goods" with a count of 1, "Consultancy" with a count of 3, "Non Consultancy" with a count of 3, and "Works" with a count of 3. A dropdown menu is open over the "Bid Security" link, showing options: "Bid Security", "Performance Security", and "Advance Guarantee". To the right, there is a donut chart showing the distribution of tenders: Consultant Services (30.0%), Goods (10.0%), Non Consultant Services (30.0%), and Works (30.0%). Below the cards is a bar chart showing the number of tenders per month for 2022, with a single bar in November reaching a value of 9.

4 Click "New Bid Security"

The screenshot shows the Bid Security management page. At the top, there is a navigation bar with menu items: Procurement Plan, Tender Guarantees, Contracts, Staffs, Blacklisted Companies, and Help. On the right, there is a user profile for "DE Dell Admin" and a notification icon. The main content area features a green button labeled "+ New Bid Security" and a search input field. Below these is a table with the following columns: Code, Supplier Name, Amount, Currency, Start Date, Expire Date, Creation Date, and Status. The table contains three rows of data, each with an "Approved" status and an "Actions" button.
